The Police Department is upgrading 3 of the computers this year. Alderman Cervantes made a motion that this item be placed on the 19th September 2023 COW for discussion and possible action. Alderman Greer 2nd. All in favor

Public Comment: Firefighter Josh Fox wanted it to also be known to the committee that if they switch from Scott then they will need to upgrade all of the racks on the trucks because the other companies will not fit on the current racks.

Steve Marinaccio asked if the old police computers get wiped out or how does our information get taken off of them. Alderman Rice explained that nothing is saved on those computers. Everything is saved on a server that they log into.

Alderman Cervantes made a motion to adjourn the Public Safety Committee Meeting at 4:17 pm, Seconded by Alderman Greer. All in favor.
