Aldерwoman Kathy Hall called the Economic Development meeting to order to discuss the release of the indebtedness agreement with Al & Alice Giesecke. Aldерwoman Hall noted that the paperwork to release the Obligation for Al & Alice Giesecke as outlined in Ordinance 2015-21 is the best way to close out the RDA with them. The Committee concurred and moved the matter to the 7 November 2017 Committee of the Whole agenda for approval. There were no other agenda items to discuss the meeting adjourned at 4:25pm
