Re: Ordinance Meeting

Attendance: Ian Pavelonis, Tony Trulson, Caryn Unsicker, Jim Nelson, Jim Grafton

Location: City Hall 121 11th Street

Chairman Pavelonis called the meeting to order at 4:00pm and noted a quorum was present for two agenda items. Several ordinances need to be codified from last year.

Clerk Nelson provided a list of ordinances that need to be codified. The estimate to do the codification would be \$3759.92. This would be further broke down; separate binder for Building Codes would be \$115.08. The cost is more than in past years due to the adoption of new building codes earlier this year. Committee was in agreement to move forward with the codification and the item would be placed on the August 7th COW agenda with a suspension of the rules.

The next agenda item was discussion on the municipal gas tax; the current rate is 5 cents per thermal unit. The ordinance needs to be in place as soon as possible. Clerk Nelson explained the tax is based on natural gas with MidAmerican. The purpose of the ordinance allows MidAmerican to pass the tax collected onto the city. There is a tax on Mediacom and on all cell phones as well. It was agreeable to place on the regular meeting August 7th meeting.

There were no other agenda items and the meeting was adjourned at 4:11pm.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jim Nelson", is written over a horizontal line.
